

## Decide which Educational program best suits your child's needs:

- **Home Education**.....page 6
- **On-Campus, Private Christian School**.....page 14
- **Home Education Classes on Campus**.....page 15
- **FCA Online** .....page 16
- **Apprentice Program** .....page 18

- Whichever Program you choose, you must be familiar with FCA's Mission Statement, Statement of Faith, Enrollment Procedures & Policies...pages 20-28
- Read FCA's testing options & information...page 29-31
- Complete the Fee Worksheet...pages 35-36
- Complete the Application Form (pages 37-38). Do not leave anything blank as this may delay the enrollment of your student(s). If a question does not apply to you, write "NA" in the space
- Fill out the Family Christian Academy Student Transfer Request for Records Form (page 39). As soon as FCA receives this completed (and signed) form, along with payment, FCA will notify your student's previous school that he/she is being transferred to FCA. It is not necessary for you to contact your student's former school, as FCA will do this for you
- Fill out the Questionnaire Form (page 40)
- Mail, fax or hand-deliver all completed forms to our office with payment
- If you are intending to educate your children at home, *do not state that you are "homeschooling" your child(ren)* as this may trigger an unwanted response from school authorities. If you are required to explain what you are doing with your child(ren), simply state that you are transferring them to a Christian (or "church-related") school
- Attend Mandatory Family Christian Academy's Orientation Seminar. (see Events Calendar page 13 for dates)
