Family Christian Academy continues to grow along with the growth of the home education movement. As we grow, we desire to add more and more services to help home educating families.

We are looking for adults and families with specific giftings who can help us offer these services. As a non-profit ministry, we do not charge on the basis of expected profit, but merely to cover operating costs. We are committed to serve the Lord in meeting the needs of off-campus students.

Below are several areas where we could use your help. Please check any that apply. We will send you more detailed information in the areas of your interest(s). As our registrations increase, particularly in smaller communities, it is our desire to offer the same services to these communities as we do in large metropolitan areas.

- Area Coordinator:** Know the homeschool law. Foster home education in your area, including suggesting activities which will increase the awareness and acceptance of home education both in your area and in the state. Communicate with other area coordinators as necessary. If you are willing, represent FCA and home education on the legislative level in your area. Help families maintain a legal home-education standing. Communicate with families.
- Support Group Leader:** Establish a home-education support group in your area with meetings and topics of interest and help for families.
- Achievement Test Administrator:** We will train you (2 hours training). Have you administered FCA Achievement Tests before?  Yes  No
- Seminar/Facilities Coordinator:** Secure facility for seminars (church, etc.), host speakers, recommend best motel, restaurant, etc. Collect fees and generally manage the event.
- Online Teacher**
- Participate in Field Trips**
- Participate in the Athletics Program (Coach, Helper or Player)** (circle one)
- Teacher:** I am interested in teaching other off-campus students, and am proficient in the following subjects:

<hr/>	<hr/>
