

## PRIVATE CHRISTIAN SCHOOL: PRE-K - 12<sup>TH</sup> GRADE

Our mission at FCA is to partner with parents in providing excellence through a Christ-centered education. FCA is here to help fulfill your vision for a quality, Christian education for your children.

FCA assists families by providing excellence in academics and fine arts while instilling Biblical principles in the hearts and minds of its students so that they are prepared to serve Christ with their lives.

Noah Webster said, and we strongly agree, that "Education is useless without the Bible." The Bible reveals within its pages the answers to life. We strive towards teaching students to rely on its credibility, instruction, and direction in all aspects of life.

At FCA, we uphold the values and morals we know you desire to see in your child. We are determined to keep an open, caring and safe environment which promotes maximum achievement while challenging students to be responsible, set goals, and

maintain high spiritual and academic standards. Our goal is to commit every aspect of FCA to the glory of God.

Philosophy is derived from two greek words: philo, which means love, and sophos, which means wisdom. These two words together describe our philosophy of education.

We believe that children will blossom and grow in an atmosphere which promotes both love and wisdom. It is through this nurturing support and encouragement that we see our children develop into the adults God desires.

The spiritual guideline to reach our goals is expressed in Deuteronomy 10:12-13 "...to fear the Lord thy God, to walk in all His ways, and to love Him, and to serve the Lord thy God with all thy heart and with all thy soul, and to keep the commandments of the Lord..."
