

HORIZONS PRESCHOOL CURRICULUM SET

Horizons Preschool has biblically-based lessons and hands-on learning activities that give preschoolers an introduction to social studies, language arts, math, phonics, and science.

Additional topics such as health and safety, arts and crafts, music, and physical education add variety and depth to this foundational curriculum. Horizons Preschool can be easily adapted to a variety of schedules and program objectives with a flexible organizational structure.

The Horizons Preschool Curriculum Set includes all the tools you need to succeed including additional manipulatives and engaging multimedia which complements lesson themes.

Set includes 180 lessons in two student books, two teacher's guides, music CD, and resource packet with manipulatives.

HORIZONS MULTIMEDIA SET

Touch your child's heart and change his/her early childhood development for the better with Godly values instilled through upbeat songs and family-friendly videos.

Includes over 25 titles such as: The Amazing Bible Series, Music Machine Series, Bullfrogs and Butterflies Series, Agapeland Adventures, Character Builders Video Series, Kingdom Under the Sea Video Series, Rev-Up Series, and more!

Used alone or in conjunction with Christian lesson themes, activities, and games presented in the Horizons Preschool Curriculum Set. These engaging multimedia additions will develop your child's love of music and keep him/her bubbling over with God's love throughout the day! Order the Horizons Multimedia Set today and start your child on a life-long discovery of God's love.

JESUS STORYBOOK BIBLE

At the center of the story is a baby, the child upon whom everything will depend. Every story whispers His name. From Noah to Moses to the great King David - every story points to Him. He is like the missing piece in a puzzle - the piece that makes all the other pieces fit together. From the OT through the NT, as the story unfolds, children will pick up the clues and piece together the puzzle.

K LIFEPAC LANGUAGE ARTS

The LIFEPAC Kindergarten Language Arts Set is a beginning language course which focuses on the key components of phonics as well as basic language skills. Two colorful workbooks filled with drills in consonants, vowels, and sound blending lay the foundation for reading, while complete teacher's guides make the road to reading fun and worry-free! Teacher's guide included.

K LIFEPAC MATH

Created to instill a strong math foundation, the LIFEPAC Kindergarten Math Set is full of fun learning activities. With a focus on the basics of elementary math, two large workbooks provide colorful instruction and practice in concepts such as counting, comparisons, number order, time, money, addition, and subtraction. Teacher's guide included.

K ACCELERATED HORIZONS MATH

The Horizons Kindergarten Math gives your child a solid foundation in mathematics with this award-winning program. Filled with 160 attention-grabbing lessons, this easy-to-use set includes two colorfully-illustrated student books covering adding, subtracting, and more; plus a helpful teacher's guide with daily lesson plans, answer keys, and worksheets. More advanced than Lifepac Math.

K ACCELERATED PHONICS & READING

The Horizons Kindergarten set teaches your child solid reading skills with this hands-on course that covers the fundamentals of phonetics in an engaging workbook format. The Horizons Kindergarten Phonics and Reading Set includes four student workbooks, four teacher's guides, four brightly-illustrated readers, an alphabet floor puzzle, and a wipe-off tablet.

1ST GRADE

1ST GRADE BIBLE

It's never too early to begin instilling Biblical truths in your child! Your child will enjoy learning about God's love, prayer, Jesus, and Old and New Testament Bible characters like Jonah, David, Zacchaeus, and Paul.

1ST GRADE HISTORY & GEOGRAPHY

A Biblically-integrated approach to teaching history, geography, and living in the world. Ten engaging worktexts present lessons on being special in God's eyes, communication, living in a family, farms, cities, community helpers, our country, our world, and more!

1ST GRADE LANGUAGE ARTS

LIFEPAC 1st Grade Language Arts is a comprehensive phonics-based language course which integrates phonics, reading, and grammar into one fun-filled home-school course. Reading Basics, a set of five required beginning-level readers, are included in this set.

1ST GRADE MATH

Created to instill a strong math foundation, LIFEPAC 1st Grade Math is full of fun learning activities! Ten colorful worktexts provide instruction and practice in concepts such as number order, number words to 200, place value, addition, subtraction, time, and fractions.

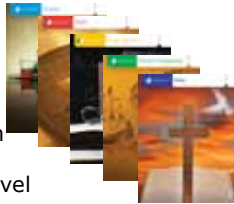

1ST GRADE SCIENCE

Beginning with observation, children learn about the physical universe God created. Ten colorful worktexts present lessons on the human body, the five senses, animals, plants, energy, health, machines, and God's beautiful world!

1ST GRADE LIFEPAC 5-SUBJECT SET

This step-by-step, Bible-centered curriculum is based on the concept of mastery learning and offers flexibility with personalized instruction. Colorful, self-paced lessons and supplemental hands-on activities make this curriculum set fun and easy. Reading Basics, a set of five required beginning-level readers, are included in the Language Arts set.

1ST GRADE ACCELERATED PHONICS

Who said reading has to be difficult? With the colorful Horizons 1st Grade Phonics & Reading Set, your child will improve his reading skills with two student workbooks containing 160 engaging lessons on consonant digraphs, vowel diphthongs, and more! Easy-to-use teacher's guide and two companion readers also included!

1ST GRADE SPELLING & VOCABULARY

Want your child to leave a lasting impression? Teach him to spell and communicate effectively with Horizons 1st Grade Spelling & Vocabulary Horizons Set. Student workbook contains 160 colorful lessons with perforated pages for easy removal. Set also includes spelling dictionary and teacher's guide.

1ST GRADE ACCELERATED MATH

No more boring math lessons! With the colorful, award-winning Horizons 1st Grade Math Set, your child will learn elementary math concepts in a teacher-guided, interactive format. Highly acclaimed by homeschooling families, this proven math course includes 160 lessons in two student workbooks and a two-part teacher's guide.

1ST GRADE PENMANSHIP

Turn your home-schooler's scribbles into artful script! With the Horizons 1st Grade Penmanship Set, you'll teach proper manuscript writing with penmanship skills that encourage correct pencil grip, stroke, spacing, margins, and more! Set contains one student workbook with 160 fun-filled lessons and complete teacher's guide.

2ND GRADE ACCELERATED PHONICS

Strengthen your student's reading skills with the Horizons 2nd Grade Phonics & Reading Set. Two student workbooks contain 160 fun-filled lessons and activities that enhance your child's mastery of phonics, spelling rules, and vocabulary.

2ND GRADE BIBLE

This fun-filled course allows your child to discover important Biblical themes using ten colorful worktexts and a teacher's guide. Bible-centered lessons include themes from the Old and New Testaments such as Daniel, Moses, David, creation, family, and more.

2ND GRADE HISTORY & GEOGRAPHY

Integrate Biblical truths into the instruction in history, geography, and living in our world. Ten engaging worktexts present lessons on helping your neighbors, community helpers, farming long ago, farming today, how communities change, communication in our world, and much more!

2ND SPELLING & VOCABULARY

Dive into a spelling adventure with the Horizons 2nd Grade Spelling & Vocabulary Set from Alpha Omega Publications. This set includes a colorful student workbook with 160 fun-filled, engaging lessons, user-friendly spelling dictionary with pronunciation guide, and comprehensive teacher's guide.

2ND GRADE LANGUAGE ARTS

Picking up where phonics instruction leaves off, this integrates grammar, spelling, reading, and writing into one. Touches on critical language topics such as building sentences, punctuation, prefixes, suffixes, nouns, verbs and much more!

2ND GRADE MATH

Created to encourage a strong math foundation, this math book is filled with fun learning activities. Ten colorful worktexts provide instruction in numbers to 1,000, operation symbols, measurements, shapes, rounding, addition, subtraction, time, estimation, and fractions.

2ND GRADE SCIENCE

Your child will learn about God's Creation in an engaging worktext format. This fun curriculum stresses the development of observation skills. Your child will learn about God-made and man-made objects, plant habitats, physical properties, and much more.

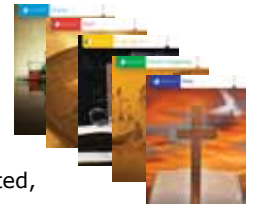

2ND GRADE ACCELERATED MATH

Stop dreading math lessons! Picture your child enjoying math and finishing assignments in addition and subtraction, multiplication, and decimals with the colorful, best-selling Horizons 2nd Grade Math Set. Highly acclaimed, this proven math course includes 160 lessons within two student workbooks and a two-part teacher's guide.

2ND GRADE LIFEPAK 5-SUBJECT SET

Give your child a solid foundation with LIFEPAK 2nd Grade 5-Subject Set! This colorful, all-in-one set contains five core subjects: Bible, History & Geography, Science, Language Arts, and Math. Each individual subject has ten worktexts and a teacher's guide. All LIFEPAK lessons have integrated, Bible-based content.

FCA MEMBERS RECEIVE A 10% DISCOUNT!

Don't forget to order your FCA Day by Day Guides for each subject! Only \$5 each for members.

1 - Special introductory price, additional discount not offered on this program.
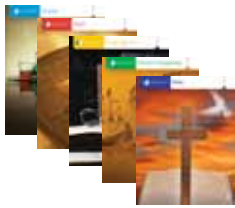

2 - FCA Online Academy price listed includes course only. Tuition fee is not included. See page 12-13 for tuition fees.

Program differences explained on page 28 & 29. Prices subject to change without notice.

12TH GRADE LIFEPAC 5-SUBJECT SET

The SOS 12th Grade 5-Subject Set contains all core subjects—Christian Faith & Living, Government & Economics, English IV, Pre-calculus, and Physics—for a whole year. The structure of textbook learning in a modern, computer-based format with multimedia-rich lessons that infuse excitement into your child's learning process!

12TH GRADE BIBLE - CHRISTIAN FAITH

Christian Faith & Living Set presents lessons through the study of Christian ministry, the Trinity, the holiness of God, James and John, the apostles, Daniel, the wisdom of David and Solomon, and much more. A teacher's guide is included.

12TH GRADE SOS 5-SUBJECT SET

Packed with engaging multimedia features, SOS 12th Grade 5-Subject Set is sure to please your student. Five core curriculum areas—Christian Faith & Living, Government & Economics, English IV, Pre-calculus, and Physics offered in a fun, computer-based learning environment, provide 12th grade students with just what they need to succeed. Windows® only. See pg 29 for details.

12TH GRADE GOVERNMENT/ECONOMICS

This course is presented in an engaging, student-directed worktext format. Lessons focus on the history of international and U.S. government, the American party system, and a study of economics, business, and free enterprise. Teacher's guide included.

12TH GRADE ENGLISH IV

Includes lessons in grammar and language structure, the origins of language, report writing, and more! A study of *Hamlet* and a review of classical British literature selections are included. Teacher's guide included.

12TH GRADE PRE-CALCULUS

Provides instruction in trigonometry and pre-calculus. Ten engaging worktexts provide mastery-based instruction in advanced math skills such as: trigonometric functions, circular functions, Pythagorean relations, laws of sine and cosine, and more. Teacher's guide included.

12TH GRADE PHYSICS

This challenging student-driven science course is focused on the study of the laws of physics. Learn about kinematics, dynamics, work and energy, waves, light, electricity, magnetism, atomic and nuclear physics, and much more. Teacher's guide included.

12TH GRADE SOS ONLINE

Get a full year of curriculum at the best value with the 12th Grade 5-subject Set. This set contains multimedia lessons in Christian Faith & Living, Government & Economics, English IV, Pre-calculus, and Physics. Accessible 24/7, these exciting online courses have interactive lessons and time-saving features like automatic grading and lesson planning. Windows® or Macintosh®. See pg 29 for details.

12TH FCA ONLINE ACADEMY

Get full teacher support with an interactive, Internet-based curriculum. Learners soar with Bible-based online lessons in the five core subjects of Christian Faith & Living, Government & Economics, English IV, Pre-calculus, and Physics. Compatible with any web browser on Windows® or Macintosh®.

FCA Online Academy (per subject) \$125
 Monthly Tuition (per subject) \$70 to \$80
 FCA Online Academy (five subjects) \$500
 Monthly Tuition (five subjects) \$200 to \$250

Don't forget to order your FCA Day by Day Guides for each subject! Only \$5 each for members.

1 - Special introductory price, additional discount not offered on this program.

2 - FCA Online Academy price listed includes course only. Tuition fee is not included. See page 12-13 for tuition fees.

PRIORITIES

PUTTING FIRST THINGS FIRST by Robin Sampson

Martha was very busy with preparations as Mary sat at the feet of Christ. When Martha complained about Mary, Jesus answered and said unto her, "Martha, Martha, thou art careful and troubled about many things: But one thing is needful: and Mary hath chosen that good part, which shall not be taken away from her" (Luke 10:40-42).

Only One Thing is Necessary!

The lesson is simple: only one thing is truly necessary. Everything else that does not promote that one thing is extra.

A willingness to sit at Jesus' feet and hear His Word is the most important thing we can ever teach our children. Sensible Martha had many accomplishments, but worry and trouble were her rewards. Mary, on the other hand, was praised for choosing that good thing which was itself her reward and which would not be taken away from her.

Martha's preparation work was not wrong; in fact, it was important. It was Martha's focus that was wrong. It is your focus that makes the difference. Social achievement, which the world stresses so much, is important; but it is nothing without Christ.

"But what about academics—math, language arts, history, and science?" Of course these things matter, but only as they sharpen your focus on the Kingdom of God and His righteousness. Academic subjects are important tools, but they are only tools, not the goal.

Do not let the important keep you from the necessary. And, in Jesus' words, only one thing is truly necessary.

It is a message both simple and profound: simple because the truth of it is not complicated, but perfectly evident, and profound because the truth in everyday life cuts across everything that habit and fleshly indulgence have trained us to accept as important or even necessary.

Homeschoolers are blessed with time to study God's Word. Take the time to set strivings and anxieties aside. Discover and understand who Christ is and develop a relationship with Him.

Sit at His feet and feast at the table of His mercy, forgiveness, and peace. Learn the unseen things of God. The spiritual life is that good part, which shall not be taken away from you! Or from your children!

True wisdom is the ability to judge correctly and to follow the best course of action, based on knowledge and understanding.

If you really want to teach true wisdom, spend a significant amount of your homeschool time studying and teaching God's Word. "For the word of God is quick, and powerful, and sharper than any two edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart." (Hebrews 4:12).

P R I O R I T I E S

TO BE EDUCATED Carolyn Caines

If I can learn my ABCs, can read 600 words per minute, and can write with perfect penmanship, but have not been shown how to communicate with the Designer of all language, I have not been educated.

If I can deliver an eloquent speech and persuade you with my stunning logic, but have not been instructed in God's wisdom, I have not been educated.

If I have read Shakespeare and John Locke and can discuss their writings with keen insight, but have not read the greatest of all books—the Bible—and have no knowledge of its personal importance, I have not been educated.

If I have memorized addition facts, multiplication tables, and chemical formulas, but have never been disciplined to hide God's Word in my heart, I have not been educated.

If I can explain the law of gravity and Einstein's theory of relativity, but have never been instructed in the unchangeable laws of the One Who orders our universe, I have not been educated.

If I can classify animals by their family, genus, and species and can write a lengthy scientific paper that wins an award, but have not been introduced to the Maker's purpose for all creation, I have not been educated.

If I can recite the Gettysburg Address and the Preamble to the Constitution, but have not been informed of the hand of God in the history of our country, I have not been educated.

If I can play the piano, the violin, six other instruments and can write music that moves men to tears, but have not been taught to listen to the Director of the universe and worship Him, I have not been educated.

If I can run cross-country races, star in basketball, and do 100 push-ups without stopping, but have never been shown how to bend my spirit to do God's will, I have not been educated.

If I can identify a Picasso, describe the style of da Vinci, and even paint a portrait that earns an A+, but have not learned that all harmony and beauty comes from a relationship with God, I have not been educated.

If I graduate from high school with a perfect 4.0 and am accepted at the best university with a full scholarship, but have not been guided into a career of God's choosing for me, I have not been educated.

If I become a good citizen, voting at each election and fighting for what is moral and right, but have not been told of the sinfulness of man and his hopelessness without Christ, I have not been educated.

However, if one day I see the world as God sees it and come to know Him, Whom to know is life eternal, and glorify God by fulfilling His purpose for me, then I have been educated!
