

GRADUATION

GRADUATION & PROMOTIONAL CEREMONIES

FCA GRADUATION

FCA has had the distinct privilege of offering its members an unforgettable graduation ceremony each year. Ceremonies are offered for the Kindergarten, Eighth Grade and Senior classes. It's a milestone and huge academic accomplishment that should be celebrated by going all out and that is just what we do at FCA. Past ceremonies have been held at Opryland Hotel, the Grand Ole Opry House and in large churches.

PROMOTION CEREMONY

The first ceremony is held for K-11th grade students. This early evening ceremony is the perfect opportunity for you to recognize your student(s) for their academic accomplishments. Special emphasis is placed on kindergarten and 8th-grade students, as they will be fitted in cap and gown and issued their diplomas. All other students will wear their church best and be presented with promotional certificates. We also offer special pricing for large families. No matter how many you have participating in the ceremonies, you only pay for the first two. No charge for additional students.

SENIOR GRADUATION

The second ceremony honors our graduating Seniors. This joyous evening will always be remembered as one of the highlights of your families' and friends' lives as they see the graduates recognized for their hard work and achievements. Everyone is invited and encouraged to attend to support our Seniors!

SPECIAL TOUCHES

The FCA Graduation ceremony has a lot of special touches that will make your students' graduation very memorable. The ceremony is decorated to make an impression of elegance and celebration.

Parents are asked to submit up to four pictures of the graduate that will be placed into a movie format with background music. Pictures are arranged chronologically in order to show your student growing up on the big screen to be viewed by all your family and friends on graduation day.

FCA also asks that each participant send in a personalized letter which is read as they walk across the stage to receive their diploma.

EASY AS 1 - 2 - 3

1 ► REVIEW REQUIREMENTS

Graduation requirements can be found in the Policy section of this catalog (page 63-64). FCA requires that Senior student meet with a guidance counselor to review credits and determine them on a course for either the college-prep or general path. Call the office to set up your appointment

2 ► APPLY FOR GRADUATION

To apply for graduation, you will need to complete Forms O, P found in the back of this catalog and submit by February 1st to qualify for the Early Bird Price. Senior students also need to complete Form Q.

3 ► PREPARE FOR GRADUATION DAY

We recommend that you begin preparing your guest list right away to ensure that your package will have adequate invitations. All graduation packages ordered before February 1st will ship by April 15th. All packages ordered after February 1st will be delivered after May 1st. Packages are shipped Priority Mail by USPS. FCA Graduation ceremonies are held in early to mid June.
