FINANCIAL CONTRACT

By signing below, we, the parents/guardians of the enrolling student, state that we understand, and will abide by this financial contract. We understand that FCA will reserve a space for enrolled student and we are responsible to pay the total contract value. If our child is administratively removed from the school, or, if we, the parents/guardians remove the student from the school or, if the student is removed from the school due to our becoming delinquent in fulfilling this contract, we the parent/guardian of the student understand that we will still owe FCA the complete financial contract we have signed. We also assume responsibility for paying all legal fees incurred in an attempt to collect a debt on our account and understand that, while owing tuition fees or other charges, we give the school permission to withhold our student's school records.

FCA reserves the right to administratively withdraw a student if the parent or student does not cooperate with the school or the educational process. We agree that this decision may be made at the sole discretion of the administration. Withdrawing a student from the school does not absolve the parents/guardians from fulfilling the financial contract agreed to.

All fees paid are non-refundable as they cover the cost to perform a service. Additionally, we understand we are under contract to pay all future fees agreed upon as a space has been reserved for our student and I understand that FCA makes annual hiring decisions based on my financial contract. I understand tuition payment plans B, C, and D are paid by automatic bank draft. If our bank fails to honor a draft, parents/guardians will be notified and must immediately remove the student from the school and the student may not return until tuition is made current, there are no exceptions. A fee of \$35 will be added to returned checks.
