## TRIKE, BIKE & WALK-A-THON

### POSTPONED UNTIL FRIDAY, APRIL 23RD

Family Christian Academy is excited to present our 1st annual Trike, Bike & Walk-a-thon on Friday, April 23rd! This is a family, fun event promoting health and fitness while raising funds for the school. Funds are needed to help with improvements for the next school year. Our goal is to add two new classrooms and 24 spaces for new students! Each student will be provided with a sponsor form to take home. Students will need to ask family and friends to support their efforts. Funds raised will help support the school. Get involved! Our goal is for each student to raise \$125!

Prizes and incentives are being awarded to participants and classes. Participants raising over \$75 in support will be awarded a 3 day, 2 night family hotel vacation certificate. We are also excited to be able to award a 7 day, 8 night family resort vacation certificate to participants raising over \$150 in support.

Participants will be provided with healthy snacks and drinks. FCA Students can also earn individual prizes and classroom prizes (pizza or ice cream party).

**SUMMER  
 SCHOLARS**

Most kids can't wait for summer to start. At FCA, we can't either because that's when the fun begins! Our Summer Scholars program offers the perfect combination of learning and fun. Students will enjoy exploring topics such as: art, music, literature, computer lab, field trips and project time through our theme based studies. As a parent, you'll love the convenience of having a wide range of classes for your child all in one location. Your children will be so busy learning that they will not want the day to end. The good news is classes are held 1-3 times a week. Call the office for details.

**CLASSES START  
 JUNE 7, 2010**

**EXCITING PLANS FOR NEXT YEAR**

We are excited to announce that we plan on opening two new classes next year to accommodate the growth of new enrollees for the 2010-2011 school year. Classes will be divided into the following levels: Pre K-K, 1st-2nd, 3rd-4th, 5th-6th, 7th-8th, 9th-10th, & 11th-12th.

We also plan to incorporate lecture style teaching along with computer learning in the middle school and high school level grades.
