SUMMER SCHOLARS

Explore America 2010

Pre K – 8th Grade

Most kids can't wait for summer to start. At FCA, we can't either because that's when the fun begins! Our **Summer Scholars** program offers the perfect combination of learning and fun. Students will enjoy exploring topics such as: art, music, literature, computer lab, **field trips** and project time through our theme of **Explore America**. We will be learning all about the **Colonial Days, Pioneer Days, and Wild West Days**. As a parent, you'll love the convenience of having a wide range of **classes** for your child all in one location. Your children will be so busy **learning** that they will not want the day to end. The **good news** is that the next day the learning and **fun** continues.

We understand that summer is a busy time for your family. That's why we offer flexible scheduling options to accommodate your family's summer schedule. Summer Scholars is divided into three, one month, thematic units.
